

XMA SunVisor Installation

Contents of package:

- 1 x XMA AudioVox SunVisor

Tools needed other than those found in the BMW toolkit:

- None

Note: This product is designed to fit on the AudioVox Sirius Satellite Radio using the existing screws that attach the extension arm to the cradle.

Attaching the SunVisor:

- If you already have your AudioVox unit installed on the bike, release the two upper screws and washers that attach the cradle to the extension arm.
- Place the SunVisor on top of the AudioVox unit, sliding the slots at the rear over the exposed upper screws.
- Secure the SunVisor.
